## Conclusion

The sports activities for the academic year 2025–2026 were successfully organized by the Department of Accounting and Finance, with active and enthusiastic participation from students in various games and events. Both on-campus and off-campus competitions provided students with valuable opportunities to showcase their talents, skills, and competitive spirit.

The students demonstrated great dedication, teamwork, discipline, and sportsmanship throughout all the events. Their participation not only enhanced their physical fitness but also helped in developing important qualities such as leadership, confidence, coordination, and time management.

Overall, these sports activities played a significant role in the all-round development of the students and contributed to creating a strong sporting culture within the department. The department continues to encourage students to actively participate in sports and co-curricular activities for their holistic growth and well-being.
